Re: Liberty Principles PAC – Committee ID No. 24614

Dear Sir or Madam:

Our firm represents Liberty Principles PAC, Committee ID Number 24614, in connection with the above-referenced matters. Please be advised as follows:

The Committee's Quarterly D-2 report filed electronically on January 13, 2020 for the quarter ending December 31, 2019 is the committee's final report. This report contains a corrective accounting/journal expenditure entry in the amount of \$38,847.89 to account for the difference in available balance that would have otherwise shown on the committee's D-2 Quarterly report and actual \$0.00 cash balance in Committee's bank accounts at end of quarter. The Committee is unable to account for the difference in the reported available balance and the actual cash balance even after an exhaustive internal audit through the end of 2018 that resulted in the committee's filing of Amended D-2 Quarterly Reports from 2016Q1 to 2018Q3.

Please accept this 2019Q4 D-2 Quarterly Report as the committee's final report. Do not hesitate to contact me should you have any questions, concerns, or require any further action relating to these issues.

Sincerely,

Klein, Stoddard, Buck & Lewis, LLC

Jeffrey A. Meyer, one of its Members
